The 2009 Briggs & Stratton Racing World Formula Savings Bond Program

Briggs & Stratton is pleased to be teaming up once again with Coast 2 Coast Racing News for our 2009 World Formula support program. “We can’t wait for another season of racing to begin” stated Dave Klaus, Director Briggs & Stratton Racing. “This program, with the help of Coast 2 Coast, allows us to give back to the racers and organizations that support us. From all of us at Briggs & Stratton Racing, we would like to say thanks for making the World Formula a premier class in quarter midget racing.”

For 2009, we have increased our overall Savings Bond ‘purse’ to \$5,000. Drivers competing in the World Formula Class at the 2009 QMA Western, Eastern, and Dirt Grands will be eligible. In addition, this year we will extend this program to include BOTH the Light *and* Heavy World Formula Class at the 2009 USAC .25 Midget Nationals in Indianapolis.

Bond Payout to Eligible Drivers:

- 1st Place - \$400
- 2nd Place - \$300
- 3rd Place - \$200
- 4th Place - \$100

To be eligible, drivers must have approved Briggs & Stratton decals on both the nose and right side body panels in plain view. Decals will be available at each event from a Briggs & Stratton or Coast 2 Coast Racing News representative. Decals can also be obtained by e-mailing us at Briggsracing@basco.com.
