FOR IMMEDIATE RELEASE

**QMA'S REGION 11 AND REGION 9 ANNOUNCE 2011 WESTERN CUP SERIES**  
Inaugural Points Series Linking Together Three Great Western QMA Events

The Region's 11 and 9 have been working hard behind the scenes to create a new QMA quarter midget race series to create excitement, competition, and memories that will last a lifetime. A new level of championship that will tie together some of the existing best quarter midget races in the west. For 2011 the Western Cup Series will be run as part of the following events:

- |                                   |              |               |
|-----------------------------------|--------------|---------------|
| * Galante Memorial Record Breaker | March 19-20  | Madera, CA    |
| * Portland Region 9 Series Race   | August 6-7   | Portland, OR  |
| * Silverstate Winternationals     | December 1-4 | Las Vegas, NV |

For the initial campaign of this new series points will be awarded to QMA member drivers for their main event finishes at the above three events. Champions will be crowned at the conclusion of the Silverstate Winternationals where first place in each division will take home the giant Western Cup trophy and medals will be awarded to the top 3.

The Western Cup Series is open to all Quarter Midgets of America (QMA) drivers and families regardless of home club or region and the series organizers certainly encourage our neighbors race with us as well. Each of the three participating events certainly stand on their own as great QMA events already and will continue to run under their own unique formats and rules. This exciting new series will be a great way to tie them all together and create a high level of competition for a season championship campaign.

More details will follow soon with complete rules and formats.
