

# MOPAR MEGA WEEKEND

## WELCOME to Little Kalamazoo Speedway!

This is Round 13 of the USAC Mopar .25 Midget "Generation Next" National Series. First, we would like to Thank MOPAR for all they do for Quarter Midget Racing. This weekend we are here celebrating the 75th Anniversary of Mopar. The Lt 160 A Main event on Saturday will be 75 laps! All Drivers and Families are invited to the Mopar D1 Midgets and Ignite Fuels Double Header on Saturday night at the big track! They will also run 75 lap events in honor of MOPAR! More details about admission will be given at the Drivers Meeting on Saturday morning. The Little Kalamazoo track was first built in 2011. The Hocevar Family - Scott's Racing Team broke ground in April, poured concrete in May and began racing in July.

Last August, they held their first USAC National event. Since then, they have improved the grounds, installed the retaining wall, built a cover for the staging area and installed granite counter tops and wood floors to complete their tower. Currently, the club has 70 drivers, with just 48 family memberships. On their wish list is a timing and scoring system and a digital read out display. "We've built this track in phases, big phases, and we are happy that so many have come to race with us," said Amy Hocevar. "We have a great Rookie Class, 20 little drivers at present, and we are constantly promoting the club so that we can grow our membership." USAC is glad to be back at this great facility at Little Kalamazoo! The high banks are ready for another exciting round of Generation Next racing for MOPAR Midget Weekend!

Let's all help the Little Kalamazoo Club by picking up trash in your area before you leave.

Just 2 more USAC MOPAR .25 Midget "Generation Next" events left for 2012. The Labor Day Spectacular - 8/31 - 9/2. Toledo is having a regular race program on Saturday & Sunday - 8/25 - 8/26, if racers attending Kalamazoo wish to come over & race. If you want to leave your trailer to race the "Gen Next" race a club member has offered their property. Talk with Dean Dickerson at the Drivers Meeting on Saturday or call (419) 351-0088. The 2012 "Gen NEXT finale is 09/21-09/23 at the USAC 4 Crown - Eldora Speedway.

\*The Mid West Thunder Banquet is 11/10/12 at Kalahari Resorts. Rooms must be booked by 10/10/12. Please RSVP to [rbarrmiamivalleysteel.com](http://rbarrmiamivalleysteel.com) by October 26.
