

Upcoming Setup Seminar!

With Dean Moslow, President and CEO of GT American Race Cars

EVERYONE IS WELCOME!!

The Seminar will be held at Orange Show QMA on:

Sunday, March 1st, 2009

Training Session	9:00am to 11:00am
Test Session	11:00am to 2:00pm

Details

- The Seminar will consist of two parts, beginning with a training session then followed by a test session, with Dean, for your car's new setup!
- We ask that you bring the following things to the training session with you: your car, a notebook, and a pen.
- Please be on time and prepared.

What to be ahead of the game?

We recommend that you visit our website, www.gtamerican.com, to download our most recent setup sheets located on "Dean's Page". By looking over these sheets before hand, as well as, bringing them with you to the seminar it will give you a better understanding of the setups Dean Moslow will be going over.
